

# Junior Bowls Scheme

## What?

- The Whitchurch league have secured a fantastic deal for the purchase of junior bowls which are on offer to all our clubs
- To claim this offer - clubs must agree to hold a coaching/open day which would be supported by Shropshire registered coaches

## Why?

- Why Not?
- The Whitchurch league want to be active in the development of the sport. This means investing in the future and attracting new players/members. This offer takes away some of the financial burden that clubs face when they want to purchase junior equipment

## How?

- Price of a Metrolux set £55, (coloured or black) **with this offer only £27.50**
- The league would pay half of the cost, the remaining £27.50 will be added to your end of season bill
- For more information, or to place your order please contact Simon Fullard by email [simon@simonf789.plus.com](mailto:simon@simonf789.plus.com)

**Not interested in this offer, clubs can still purchase junior bowls sets at the full price of £55**
