**North Midlands Meeting 2nd July 2019**

**1 Roll Call** All present  
A minutes silence was held for Ben Crowther

**2 Minutes** Agreed Minutes are made available on our MBBowls page for North Midlands Ladies.

**3 Matters Arising** None

**4 Secretary's Report**

Kate noted the season has been going very well, currently half way through and no exceptional points to note. Table and average updates were.

All fixtures, averages and tables are available on Mbbowls. Any queries or discrepancies should be direct to Kate.

The Ladies County Veterans all had a lovely day away (all be it very wet). They played Isle of Man and Yorkshire although not quite enough shots to progress past the group stages.

**Ladies senior county however have now played two and won two (Lancashire and Cumbria). The final group fixture is against Yorkshire on 21st July (home green to be confirmed). A win would see progression to Semi Finals.**

Junior County have currently played against South Yorkshire with a loss but not by as many as previously and still with a very young side. Next fixture is at Potters Green on 14th July and the away venue is North Lancs.

Ladies Junior Merit date to be announced.

County bills for handbooks will be sent out this month.

The county Newsletter is available of our MB Bowls page and a printed version was also supplied to delegates.
